

FREE TRIP TO WASHINGTON

Promised Juvenile Corn Growers Of County

To Stimulate An Interest In Agricultural Work

District And County Superintendents Offer Trip

Will Of Mary Ann Voden Admitted To Probate

Marriage Licenses Issued; Deeds Filed; Miscellany

At the meeting of the district and county superintendents of schools Wednesday, it was decided by these men that they would provide the necessary means for defraying the expenses of the winner in the corn-growing contest this year for the trip to Washington.

Last year some of our boys grew corn, but no provision was made for sending our champion on this wonderful trip so full of valuable lessons to any and all who may be able to visit our national capitol under such favorable conditions.

How many of our boys will get busy and show their elders what an acre of Knox county soil will produce in the way of corn? If others will finance a trip, more boys may go. All who are interested should write their district or county superintendent for rules governing the contest.

All boys and girls interested in junior agricultural contests of any kind are requested to meet at the office of the county superintendent in Mt. Vernon Saturday, April 22, at 10 a. m. for the purpose of organizing for the work.

REVOLVER

Swinging Wildly Frightens West Side Lady

Its Wielder, Sobered Up, Fined By Mayor Mitchell

A lady residing on North Sandusky street 'phoned to police headquarters Wednesday night, saying that there was a drunken man on the street near her house flourishing a pistol. Officer McElroy answered the call and placed John Young under arrest.

Young was held in the city prison until Thursday morning, when he was brought before Mayor Mitchell and entered a plea of guilty to the charges of intoxication and carrying concealed weapons. Mayor Mitchell sentenced him to 30 days in Dayton with the provision that the sentence was not to be executed so long as Young kept sober and out of trouble.

Young explained his flourishing of the revolver by saying that he had been getting it repaired and, having just got it back, had taken it out to examine it.

COMES HERE FROM NEWARK TO ESTABLISH AN INSURANCE AGENCY.

Mr. Jones has been connected with the Licking county agency of the Midland for the past five years, and no small part of the success of the Midland agency in Licking county is due to Mr. Jones' effort.

John O. is a real life insurance man, knows the business thoroughly and is a hard worker, and we predict that he will make good in his new location. He is well known to the majority of the people in the northern part of Licking county, where he has operated during the past five years, and his many friends will wish him success in his work in Knox county.—Newark American Tribune.
